

**"Advises Ner-vo for Nervous Disorders"**

Dear Sirs:

I was first attracted to NER-VO by its name, as I had been a long sufferer from extreme nervousness, and had been unable to find any remedy. I am not a believer in so-called patent medicines, but I certainly advise NER-VO for any nervous disorders.

Yours very truly,  
GEO. T. NELSON, Henrico county, Va.

**"Best Spring Medicine and General Tonic."**

June 2, 1905.

Dear Sirs—I consider NER-VO the very best spring medicine and general tonic I have ever tried and unhesitatingly recommend it.

Yours, etc.,  
CHAS. LADD,  
No. 18 North Twenty-ninth Street,  
Richmond, Va.

**"Wonderful Medicine."**

Richmond, Va., June 10, 1905.

Dear Sirs—I just wish to write a line to recommend your wonderful medicine, NER-VO, as the best tonic I ever knew, for men and women suffering from nervous prostration.

Yours truly,  
JOS. H. GRUBBS.

**"Don't Know What Fatigue Means."**

Dear Sirs:

It is with a grateful heart that I now write to thank you for having called my attention to NER-VO. A year or more ago I had a severe attack of Grippa. It left me without appetite, weak and rundown. I was troubled with insomnia. Had awful dreams; in fact, I may say I was a perfect wreck, and yet in the space of less than two months, the use of NER-VO has made a new woman of me. I sleep well, have a wonderful appetite and don't know what fatigue means.

Yours cordially,  
MISS H. F. NEW.

**"Without An Equal"**

May 29, 1905.

I cannot let the opportunity pass without writing to thank you for the benefits received by me from using NER-VO. As a general tonic and up-builder of the system I believe it is without an equal. For years I have been the victim of dyspepsia. Nothing I could eat seemed to agree with me until, after trying many doctors, I was persuaded by a friend to try NER-VO. The benefit I have derived thus far (and I have only had two bottles) have satisfied me of the merits of this wonderful medicine.

Gratefully yours,  
HARRY A. RACKS, 404 W. Baker St.,  
Richmond, Va.

**"Found Relief At Once."**

May 25, 1905.

Dear Sirs:

I was troubled with biliousness, constipation and a generally disordered condition of the stomach for a period of some ten years. Through accident I read your advertisement and bought a bottle of NER-VO. I found relief at once, and feel it no more than my duty to write you these few words of commendation.

Very truly yours,  
TOM STROUD, No. 21 W. Nineteenth St.,  
Manchester, Va.

Dear Sirs—As a tonic for people in a neurotic condition, I believe NER-VO to be of special benefit. At least it has proven very efficacious in my own case. I heartily recommend it.

Yours truly,

**"Heartily Recommend It."**

Dear Sirs—Having taken your NER-VO it gives me pleasure to testify to its worth. I would not be without it.

**"Entirely Recovered."**

Richmond, Va., May 24, 1905.

Dear Sirs:

My wife was very much rundown in health, and complained of pains in chest and back, and it was only when her troubles had been greatly aggravated by a hacking cough that I persuaded her to try NER-VO. After taking about four bottles I am glad to report her entirely recovered.

You may use this if you wish.

Yours very truly,

**PETERSBURG IS FIRST-CLASS**

The Postoffice Service is to Be Very Largely Improved.

**CHILD CENSUS IN SCHOOLS**

Cotton and Peanuts Take a Jump at the Same Time.

(Special to The Times-Dispatch.)

PETERSBURG, VA., June 22.—Petersburg will be a first-class postoffice beginning with July. More carriers are to be employed, and new mail wagons put in service. A branch of the United National Association of Postoffice Clerks has been organized, with the following officers: M. J. Rahilly, president; R. H. Jones, vice-president; John D. Crowder, secretary; T. A. Minette, treasurer; L. M. Clarke, chairman press committee.

**CHILD CENSUS.**

A census of the children at the Petersburg public schools is now being taken under the supervision of Dr. D. M. Brown, superintendent of public schools.

Harris, the infant daughter of Mr. and Mrs. Harris T. Donnan, died this morning at their home, on Market Street.

Cotton and Spanish peanuts took a sudden and strong rise in the local market to-day, cotton going to nine cents and the Spanish nuts rising from \$1.05 to \$1.10 per bushel. Local commission merchants report a very small stock in

their hands, nearly all being held by cleaners and dealers, who have bought heavily in the season at prices below ninety-five.

The Dixie Peanut Company, which has recently built one of the largest factories in the city, is said to have an exceedingly large stock.

The outlook for the coming crop is reported to indicate one of the largest ever grown.

**JUDGE WILLIAMS.**

Judge Samuel W. Williams, of Wytheville, the Southwest's candidate for Attorney-General of Virginia, spent to-day in Petersburg meeting and making friends. He will probably address the friends. He will probably address the Petersburg voters before the August primary.

**NEW CANDIDATES.**

W. W. Baugh and S. P. Barham, Jr., have announced their candidacy for the Legislature from the district composed of Prince George and Surry counties. They are both from Surry.

**COURT AT CHASE CITY.**

Big Preparations for Fourth of July Celebrations.

(Special to The Times-Dispatch.) CHASE CITY, VA., June 22.—The Fourth of July will be celebrated here on a more extensive scale than usual. With music, parades, military display, speaking and feasting, the occasion will be of more than ordinary interest. Large crowds of people always attend from this county, and also from Lunenburg, Charlotte and other counties. Men with their families come from a long distance and enjoy a holiday and participate in the festivities.

It being deemed inexpedient by Judge W. R. Barksdale to hold the June term of Circuit Court at Boynton, on account of unavailability, he had posted the requisite notices that it would be held at this place.

The Judge arrived Tuesday evening, and many attorneys are here to-day. Messrs. George C. Gregory and A. S. Gainer, of Richmond, are in attendance, having important business before the court.

The postoffice business has largely in-

creased here, and the salary of the postmaster has been advanced from \$1,500 to \$1,700.

The train over the Southern Railway, leaving Richmond at 6 P. M. and running through to Chase City, with change, and arriving at 9:30 P. M., is a great advantage in many ways, and the travel is steadily increasing.

**RAILROAD RATES.**

Many Hearings Set By the Interstate Commerce Commission.

(By Associated Press.) WASHINGTON, June 22.—The Interstate Commerce Commission has set for hearing the following cases at the places and dates named:

At Augusta, Ga., July 6th, R. C. Braham against Atlantic Coast Line Railway Company, involving alleged unreasonable passenger rates from Ellenton and Jackson, S. C., to Augusta, Ga.

Warren Manufacturing Company against Southern Railroad Company, involving alleged unreasonable rates on cotton goods from Warrenton, Grantville and Vanhook, S. C., and Augusta, Ga., to New York City.

At Augusta, Ga., July 7th, James L. Quimby, against Clyde Steamship Company, involving alleged unreasonable freight rates from Boston, Providence, New York, Philadelphia and Baltimore to Atlanta, Grantville, Langley and Blackville, S. C.

At Atlanta, Ga., July 10th, Reliance Textile and Dye Works, against Southern Railway Company, involving alleged unreasonable rates on cotton-plant goods from points in Georgia, Alabama and South Carolina to Cincinnati, Ohio, on shipments destined only to Cincinnati.

**KILLED NEIGHBOR AND TOOK HIS OWN LIFE**

(By Associated Press.)

ATLANTA, GA., June 22.—A special to the Journal from Griffin, Ga., says: Promis Chapman, a well known farmer living near Headsboro, assassinated Tom Head, a neighbor, late last night and then killed himself, cutting his throat with a razor. The tragedy was the result of a feud of long standing between the men. There were no eye witnesses to the tragedy and both men had been dead several hours when their bodies were discovered early to-day. Both were well connected.

**Married in Baltimore.**

(Special to The Times-Dispatch.)

BALTIMORE, Md., June 22.—Miss Marie Berlin Thelin, daughter of Mrs. William T. Thelin, was married last evening to Mr. Thomas B. Clarkson, of Prince William county, Va., at St. John's Church, at Mt. Washington, a suburb of Baltimore. The ushers were Messrs. Robert H. B. Beverley, Alexander M. Beckenbridge, and Hugh T. Chiswick, of Virginia; Carl Clarkson, of Alabama; Thomas B. Headley, of Philadelphia; and William C. Thelin, of Lewistown, Penn. The flower girls were Miss May Kirk and Miss Floy Vandenberg. Mr. Grissold Thelin, a brother of the bride, gave her away, and Mr. Walter Clarkson, of Washington, was best man.

**Waste.**

For a time we stand without uttering a single word, stunned to silence by the incomprehensible majesty of the mighty cataclysm. The American war life is in a state of confusion. "What a waste!" he exclaimed, with profound emotion.

He made a few hasty figures on a scrap of paper which he had in his hand. "Do you know," he said, looking up after a moment, with flushed face and brightening eyes, "there's lower here, if it were to be converted into electricity and applied to industrial uses, to earn money enough to force ten families of three daughters each, or fifteen families of two daughters each, into New York society?"

Under the spell of that vast mass of falling water, we could believe him. Anything seemed possible.—Puck.

**Quite a Distinction.**

Benson—"My wife never says 'I told you so,' when any of my plans go wrong."

Johnson—"She must be a remarkable woman!"

Benson—"No; she isn't so positive as all that. She just says, 'Didn't I say so?'"

**"Dr." Bryan's First.**

Colonel Bryan has been made a doctor of laws by an Illinois college. It is an honor which he has declined. "You see all my children are boys,"—Puck.

**His Envious Position.**

"Are you in any way related to the nobility, Mr. Goldsworthy?" inquired the reporter. "None," replied the rectangular but eminently astute old millionaire. "You see all my children are boys."—Puck.

Mr. Gorton—"When I was your age, sir, I didn't have a dollar!"

Cholly Gorton—"Well, dad, when I am your age, I probably won't have a dollar!"—Puck.

**NEW YORK IS SOON TO HAVE HIGHEST BUILDING IN WORLD**

New Tower of Metropolitan Life Will Rise Above Great Washington Monument.

(Special to The Times-Dispatch.)

NEW YORK, June 22.—The tallest structure in the world is soon to be erected in New York. When completed it will occupy the space at the southeast corner of Twenty-fourth Street and Madison Avenue, where Dr. Parkhurst's church now stands.

The Metropolitan Life Insurance Company will erect this magnificent tower, which will be higher than Washington Monument. Plans for its construction are now under consideration by the company, whose home office building occupies most of the block bounded by Twenty-third and Twenty-fourth Streets and Madison and Fourth Avenues, and is one of the largest in the city. It will exceed all other business edifices in every dimension.

All the land in the block, which is 425 feet long and 197 feet six inches wide, is owned by the company. When the land was acquired it was necessary to buy one of New York's most famous residences and three other familiar structures, the Lyceum Theatre, the Academy of Design and the Madison Square Presbyterian Church. The last is still standing.

It is on this site that the tallest structure in the world is to be erected. According to present plans, the tower will bear about the relation to the main building that the Madison Square tower does to the Madison Square Garden building. The site of the Metropolitan's tower has a frontage of seventy-five feet on Madison Avenue and 150 feet on Twenty-fourth Street. This will give a base area of about 11,250 square feet, which is con-

**GENERAL MILES SOON TO WED WEALTHY WIDOW, SAYS REPORT**

Washington Society Much Interested in Rumor of Engagement to Mrs. Huidekoper.

(Special to The Times-Dispatch.)

WASHINGTON, June 22.—Society here is interested in the rumor that General Nelson A. Miles is about to announce his engagement to Mrs. Rush Shippen Huidekoper, widow of Dr. Huidekoper, of Philadelphia.

The general has been very attentive to her all winter, and when Mrs. Huidekoper sailed for Europe a few days ago he was on hand to wave her farewell and had her steamer loaded with flowers and bonbons.

Mrs. Miles died last summer at the summer home on the Hudson. She was the daughter of the late Judge Sherman, of Mansfield, O., and the niece of both Senator and General Sherman.

Mrs. Huidekoper, the general's only daughter, resides in Washington, but she is said to be opposed to her father's remarriage, although she is personally very fond of Mrs. Huidekoper.

It is stated that the visit of Mrs. Huide-

koper to Europe is to purchase her trousseau, and it is confidently predicted that the wedding will take place in the fall.

**LIBRARY RECEIVES JEFFERSON'S WORKS**

Manuscripts Furnished By Mr. Kennedy, State Librarian.

Handsome Edition.

The Virginia State Library received on Wednesday a copy of "The Writings of Thomas Jefferson." There are twenty-nine volumes, which take up the autobiography, notes on Virginia, parliamentary manual, official papers, messages and addresses and other writings, official and private, now collected and published in their entirety for the first time.

The edition is issued under the auspices of The Thomas Jefferson Memorial Association, with Andrew A. Lipscomb, editor-in-chief, and Albert Ellery Bergh, managing editor.

The edition presents a very attractive appearance, being bound in three-quarter leather, with rough-finished pages. What is perhaps of the greatest interest to the people of Richmond are the manuscripts from the Virginia State Library collection, which recently came to light in the State Library. The tome bore the title "Thomas Jefferson's Letter Book," which upon examination were found to contain copies of letters and orders sent by Jefferson during the last six months of his governorship of Vir-
